Celebrating our work through Canadians just like you.

For over 50 years, Christian Children's Fund of Canada has been assisting children, families and communities in need. We are an international development organization that supports children and families of all faiths and ethnic backgrounds to help them break the cycle of extreme poverty and replace it with a cycle of self-reliance. We help give families the tools they need to create a sustainable future for their children.

You can purchase gifts from Christian Children's Fund of Canada's gift catalogue all year long. Honor a birthday, anniversary, wedding, Easter, Mother's or Father's Day – any special occasion. Send a truly meaningful gift such as food, livestock, wellness supplies or simply the gift of play to children living in extreme poverty.

Make a difference with a gift that really matters!

Make a Difference With a Gift That Really Matters.

We all love to receive a gift – it's fun, exciting and often a surprise. For many, gifts mark some of our fondest childhood memories. Equally moving is the chance to provide others with a gift and witnessing their joy and excitement. Whether it's Christmas, Easter or a birthday celebration, gifts bring great pleasure to all involved. As Canadians we live in one of the wealthiest and most compassionate nations in the world. This caring manner is part of our social fabric and has helped shape the country we call home.

We take great pride in our Gift Catalogue.

With your support we can provide gifts that will really make a difference in the lives of children and families faced with extreme poverty. Working with our local partners provides us with a real understanding of the most suitable gifts for each community. This community-based approach ensures the most relevant and beneficial gifts are available within each country where we work.

Gifts in the Gift Catalogue are not available to send to a specific country or directly to a sponsored child. The prices are set to allow us to purchase items locally in each country where they are most needed. As such, you cannot choose the country or recipient of a gift from this Gift Catalogue. To give a gift to your sponsored child, call us at 1-800-263-5437, ext. 610 or visit us at www.ccfcanda.ca.

Christian Children's Fund of Canada
1200 Denison Street, Markham, Ontario L3R 8G6

CCFC thanks you for your gifts of generosity. Your contribution will go directly to the children and families living in communities where CCFC is involved. In cases where donations exceed what is needed or where local conditions prevent program implementation, Christian Children's Fund of Canada will redirect funds to similar activities to help people-in-need.

Five Chickens - \$50

One of Canada's best selling gifts!

Five chickens provide an abundance of meat and eggs for hungry children. This is a wonderful gift that keeps giving. Hens lay an average of 260 eggs per year meaning your gift could allow a family or a single mother to generate a steady income by selling the eggs at the local market.

You could help break the cycle of extreme poverty with your thoughtful gift today!

A Goat - \$100

A goat is one of the heartiest animals on our planet. They can survive in some of the most extreme environments and adapt to almost any climate. This animal is an excellent gift that can produce hundreds of litres of delicious milk that is rich in protein and essential to a healthy body. Your gift of a goat will also provide a family in need with an opportunity to sell excess milk and generate an income.

A Sheep - \$100

A sheep is an excellent gift that really empowers a family caught in extreme poverty. This industrious animal provides a struggling family with wool, milk and food. Excess wool and milk could be sold to create an income.

A Dairy Cow - \$550

As Canadians we know how important the dairy cow is to our diet and well being. Dairy milk contains many essential nutrients. It is a great source of calcium for the proper development of children's bones. The average dairy cow produces many litres of milk each day. This gift provides a family with nutrition and a means to generate an income through the sale of dairy milk at the local market.

Vegetable Garden Seeds - \$15

Vegetable garden seeds make great gifts! The seeds are specific to each country in order to deal with the local climate and environment. Providing a family with a garden empowers them to feed their children and earn an income from their crops. This gift also provides children with first hand education on planting and harvesting their land and is also environmentally-friendly.

Basket of Food for a Family of Five - \$100

A basket of food can give a family a supply of nutritious food to feed their hungry children. Locally-available foods and essentials will be gathered and provided to a family.

Your gift of food could save the lives of children on the brink of starvation.

Emergency Food Basket - \$100

Fill a child's hunger during times of disaster. During these moments your gift of emergency food will provide and comfort devastated children and their family members.

You can be the light in their darkest hour.

NEW!

Fruit Trees - \$20

Give a gift that a family will enjoy for years! Your gift of fruit trees can provide a family in need with nutritious fruit. Fruit provides an excellent source of vitamin A and C for child growth and it enhances their immune system which can help offset many illnesses. Produce from trees such as bananas, papayas, mangos and oranges can also be sold to provide a source of income.

Fruit trees make an excellent gift that will really make a difference!

Moringa "Miracle" Tree - \$25

The Moringa or "miracle tree" as it's known in many parts of Africa provides food for animals, water purification, medicine, cleaners and rope fibre that may be sold for additional income. The leaves contain protein and vitamins that aid children's growth.

This tree makes for a great gift in our African countries!

NEW!

Health Education for Pregnant Women - \$50

Every year hundreds of thousands of women die in the developing world from complications due to pregnancy. Ensure the safety of children by providing mothers and babies with essential health care education. Give the gift of health education for pregnant women to save lives.

Female Hygiene Kit - \$25

Personal hygiene is often challenging and complex for women in the developing world. Your gift will provide women with access to much needed sanitation and health products. This gift could include items like soap, hand sanitizer, napkins, toothpaste and a toothbrush.

Stock a Medical Clinic (or share in) \$2,000 for project, \$200 share in

Help save the lives of many with this special gift of health care. By helping to stock a clinic with essential drugs, vitamins, antibiotics and more, you could be healing an entire village or community. Your contribution along with other supporters (or on your own if you choose) will go a long way!

Eyeglasses - \$90

Without good vision, children can struggle through day-to-day activities. They need eyeglasses, but cannot afford them. Poor vision can lead to poor performance at school. Your gift of eyeglasses will allow a child to see clearly and set the stage for a successful life.

Warm Blanket - \$20

Imagine providing a child with their first blanket to keep them warm at night. Your gift of a warm blanket not only comforts the child but helps warm their heart knowing that someone cares for them. A gift that will be used everyday! Believe it or not, it can get chilly at night – even in Africa.

Two Mosquito Nets - \$30

Protect children and their families from potentially deadly disease from insects. Mosquitoes transmit diseases like malaria that kill people in developing countries every day. Your life-saving gift of mosquito nets can protect a family of four to eight people. Prevention is critical to stopping diseases like malaria.

Please ensure you complete both sides of the gift form.

Sanitation Facility (or share in) – \$1,000 for project, \$100 share in

The lack of clean water combined with poor sanitation makes children sick, unable to attend school, learn and grow. Proper sanitation facilities improve the overall health of a community. Give the gift of hygiene in the form of a sanitation facility. Your contribution along with other supporters (or on your own if you choose) will build proper sanitation facilities such as latrines, toilets and waste water management systems.

Rain Water Harvesting Tank (or share in) – \$2,000 for project, \$200 share in

Millions of people in the developing world die every year due to the lack of clean drinking water. Share in the gift of a rain water harvesting tank today. We all deserve access to clean water without the threat of water-borne disease. This share of a rain water harvesting tank will provide community residents access to safe drinking water.

Your support along with others (or on your own if you choose) will build a system to safely collect and store rain water. **It's an eco-friendly gift idea too!**

Hand-Dug Well (or share in) – **NEW!** \$7500 for project, \$125 share in

Access to clean, drinkable water is a critical problem in many of our countries of operation. Often the solution lies right beneath the ground. Your gift can assist in the creation of hand-dug wells to provide access to clean ground water for children and families in need.

Child's First Books - \$30

Open up new and exciting worlds for a young imagination. Stories feed the soul and new words help develop language skills. Your gift is guaranteed to bring a smile to the face of a child.

NEW!

Blackboard for School - \$55

Many developing countries do not have the basic supplies for proper classroom instruction. You can supply a classroom with a blackboard. This gift supplies an essential learning tool to allow children to focus on what's most important - their studies!

Teachers Kit - \$200

Teachers need the right tools to ensure their students are able to excel in learning. This gift provides teachers with the needed educational manuals and materials for their students. Teaching equipment could include items such as chalk, paper, text books, maps and globes to ensure that children receive a proper education.

School Supplies - \$40

Your gift of school supplies will put a child on the path to a successful life. Your gift could include: pencils, pens, paper, rulers and other items needed to help a child excel in school.

Micro Enterprise Development Loan - \$350

Help a family start up a small business with a loan. This gift leads families towards a life of self-reliance and financial independence. Once the family repays their loan, the money is re-invested – giving other deserving families the money they need to start up their business. It's a compelling gift that touches many in a community and helps break the cycle of extreme poverty.

Garden Tools - \$50

Equip parents and their families with the tools necessary to grow nutritious fruit and vegetables plants. Parents will be able to feed their children and sell any excess at the market for income. Makes a great addition to a gift of fruit trees or vegetable garden seeds!

Fuel Efficient Cooking Stove - \$65

Provide an environmentally-efficient cooking stove for a family or community that is fueled by vegetable waste instead of wood. This ecologically-sensitive gift provides an essential tool for cooking food and is better for the environment than open wood-burning fires.

A great gift idea!

Oil Lamp and Fuel for One Year - \$60

Without access to electricity, children cannot continue with school work after the sun sets. Providing an oil lamp will help increase a child's study hours, enabling them to succeed in school.

Soccer Ball - \$40

The most popular team game on the planet is soccer. Throughout the world children play soccer with cans, stones and anything else that they might be able to kick around. Your gift of a soccer ball will bring great joy to a child and a community by providing hours of play with friends and promoting exercise, teamwork, strategy and cooperation.

Basketball - \$25

Kids love to play and what better way for them to exercise than with a basketball. A basketball is great way for a child to share a gift with other children within the community. One ball can bring smiles to many children's faces!

Basketball Hoop - \$30

Why not add a basket ball hoop to your gift order today. Children will be able to enjoy the game and even learn the rules with the right equipment.

Art Kit - \$30

Give a child a gift that lets their creative mind run free. Art fosters creative thinking in children and helps them deal with emotions related to trauma and sadness. **Every child should have an art kit!**

Bicycle - \$170

Is there any gift that symbolizes childhood more than a bicycle? Many of us can still remember our first bike or the day the training wheels were removed. This is your opportunity to give this same feeling to a child that will likely never experience that joy without you. This gift will provide hours of fun, exercise and essential transportation to school.

Sponsor a Child in Need Today from just \$38/month

Give the ultimate gift this year by sponsoring a child through Christian Children's Fund of Canada. For little more than a dollar a day, you can give a child access to things like nutritious food, healthcare, and an education. Help a child this year with a gift of sponsorship – it's truly a gift of endless possibilities. It will not only change a child's life, it could also change your own.
